SOLOS:

If you wanted a solo and do not see below, please let us know. We apologize for our error.

Duets and trio:

Placements are extremely challenging to match. You must have a dancer you look exactly like, plus the same style of dancing, skills and technique. If you were not placed in a duet or trio, this simply means you did not have a twin or triplet that looks and dances just like you. It is no reflection of your talent.
